Child Health Plus

Every child deserves quality health care. Child Health Plus is a New York State sponsored health insurance program, administered by Univera Community Health, that offers health insurance coverage to children.

Your child will receive care covered at a low premium cost, or no cost at all depending on your income level, for services like:

- Regular well child doctor check-ups and immunizations
- Inpatient hospital services
- Prescription drugs and over-the-counter drugs
- Routine eye exams

Choose from over 3,000 doctors to provide your child's care.

Our staff can help you through the enrollment process. There are eligibility and income requirements that need to be met to enroll in Child Health Plus, so please give us a call at **1-716-504-0560 or 1-800-494-2215** to learn more. For hearing impaired call the New York State Relay telephone number at **1-800-421-1220**.

Family Health Plus

As a New York State sponsored health insurance program administered by Univera Community Health, Family Health Plus is a quality health insurance plan for adults age 19 to 64.

Once enrolled in Family Health Plus, you have over 3,000 doctors to choose from and comprehensive coverage for vital services such as:

- Inpatient hospital care
- Emergency care
- Prescription drugs
- Routine eye exams and eyewear (restrictions may apply)

Please note: copays may apply.

There are eligibility and income requirements that need to be met to enroll, so please give us a call at **1-716-504-0560 or 1-800-494-2215**. We will help you determine if you are eligible. For hearing impaired call the New York State Relay telephone number at **1-800-421-1220**. You can also call your local Department of Social Services.

PlusMed

PlusMed is a Medicaid Managed Care health insurance program offered by Univera Community Health and sponsored by New York State. PlusMed is a quality health insurance plan for children and adults. PlusMed covers services such as:

- Inpatient hospital care
- Emergency care
- Laboratory and X-ray services
- Routine physical exams and well child doctor visits and immunizations
- Routine eye exams and eyewear (restrictions may apply)

With PlusMed, you and your family will receive these services from your primary care provider (PCP). If, in some cases your PCP cannot provide the health care you need, he/she will refer you to see another doctor. The PlusMed network also gives you access to over 3,000 quality doctors and specialists.

To enroll in PlusMed there are eligibility and income requirements that need to be met, so please give us a call at **1-716-504-0560 or 1-800-494-2215**. For hearing impaired call the New York State Relay telephone number at **1-800-421-1220**. You can also call your local Department of Social Services.

Who is eligible to apply for these Health Insurance Programs?
